C.VIGNESHWARAN

DOB:28-11-2006
PR flats, Sri Krishna nagar,
1st main road, Maduravoyal, Chennai-600095
+91 7845864838
cvickey484@gmail.com

Computer Science student with strong programming skills and practical experience in developing a range of applications. Proficient in multiple programming languages and committed to writing efficient, high-quality code while continuously strengthening technical expertise.

EXPERIENCE

INTERNSHIP

ATRIBS Global Technology Solutions   JUN 2025-JUL 2025

Gained foundational knowledge in Embedded Systems and participated in an industrial visit to the IIT Madras Research Park and the Precision Engineering and Technology Centre. Observed practical demonstrations of integrated hardware–software systems and their application in real-world products."

Certificates

- DSA using java by infosys springboard
- Ethical hacking by Great Learning
- Python Advanced by HackerRank
- Web development by Acmegrade
- AI for beginners by HP Life
- Cloud computing by NPTEL
- Introduction to IoT and Digital Transformation by Cisco
- MongoDB Basics for Students by MongoDB
- Programming Fundamentals using Python by Infosy

Achievements

- Srinivasa Ramanujam Maths competition - National level participation
- Software Hackathon Club in College - 3rd prize
- Robotics club in College - 3rd prize
- Coding competition by Amirta College - 3rd prize
- Ideathon by St josephs college of engineering - Top 15
- Codeathon by CIT college - 4th place
- Spark Sync by St josephs college of engineering - 3rd prize

EDUCATION

- **St.Josephs's College Of Engineering, Semmancheri — BE CSE** *(1st year cgpa- 8.1)* Aug 2024— May 2028
- **IIT Madras, Adayar — BS Data Science and Application** *(1st year cgpa-7.2)* May 2024 - May 2028
- **Devi Academy Senior Secondary School,** Valasaravakkam — *Higher secondary (92.2%)* May 2024

CODING SKILLS

- Python , Java
- C , C++, C#
- HTML , CSS , JAVASCRIPT
- Mysql , PostgreSql
- PHP, Dart
- TSX , react

HACKATHONS PARTICIPATED

- Prompt-a-thon by Google and Vit Chennai
- Hack to the future by Easwari Engineering college
- Ideathon by St josephs college of engineering
- Codeathon by CIT college
